#### **CHAPTER 49-03-01 REQUIREMENTS FOR MESSAGE ESTABLISHMENTS**

Section  
49-03-01-01            Sanitation, Location, and Conditions

##### **49-03-01-01. Sanitation, location, and conditions.**

1. The portion of a message establishment in which a message is provided, and any waiting room and hallway leading to that area, must be in a clean and sanitary condition at all times. This subsection does not apply when the message is provided to a person in the person's own home, or when the message is provided as a public demonstration in a location other than the message therapist's usual establishment.
2. If the message establishment is also the residence of the message therapist providing the message, the message may not be provided in a bedroom.
3. Any mirrors or windows in the message establishment will be located and covered in a manner to maintain the privacy of the person receiving the message at all times during the message and while the client is dressing and undressing.
4. A therapist must provide draping and treatment in a way that ensures the personal safety, comfort, and privacy of the client.
